a comprehensive survey of english language documentary film and video from beginnings to the present

revised and expanded third edition cover

offers the first overarching history of the humanities from antiquity to the present

this volume provides a fascinating account of the natural forces which shaped the island s landscape from its formation some 500 million years ago to the present nature of the manx environment and landscape the story of the island s colonisation by plants and animals sets the scene for the later volumes which deal with the impact of man s arrival a key element of the volume is an in depth examination of the contemporary landscape with an appraisal of how the environment has affected man and how man has affected the environment

a new history of iberian feminisms is both a chronological history and an analytical discussion of feminist thought in the iberian peninsula including portugal and the territories of spain the basque provinces catalonia and galicia from the eighteenth century to the present day the iberian peninsula encompasses a dynamic and fraught history of feminism that had to contend with entrenched tradition and a dominant catholic church editors silvia bermúdez and roberta johnson and their contributors reveal the long and historical struggles of women living within various parts of the iberian peninsula to achieve full citizenship a new history of iberian feminisms comprises a great deal of new scholarship including nineteenth century essays written by women on the topic of equality by addressing these lost texts of feminist thought bermúdez johnson and their contributors reveal that female equality considered a dormant topic in the early nineteenth century was very much part of the political conversation and helped to launch the new feminist

wave in the second half of the century

per the uk publisher william collins s promotional copy there is a quarter of this planet which is often forgotten in the histories that are told in the west this quarter is an oceanic one pulsating with winds and waves tides and coastlines islands and beaches the indian and pacific oceans constitute that forgotten quarter brought together here for the first time in a sustained work of history more specifically sivasundaram s aim in this book is to revisit the age of revolutions and empire from the perspective of the global south waves across the south ranges from the arabian sea across the indian ocean to the bay of bengal and onward to the south pacific and australia s tasman sea as the western empires dutch french but especially british reached across these vast regions echoes of the european revolutions rippled through them and encountered a host of indigenous political developments sivasundaram also opens the door to new and necessary conversations about environmental history in addition to the consequences of historical violence the extraction of resources and the indigenous futures that western imperialism cut short

a new york times bestseller a 2025 kirkus prize finalist in nonfiction shortlisted for the 2025 cundill history prize an extraordinarily ambitious book america américa reads at times as the historical equivalent of the great epic novels of gabriel garcía márquez irish times from the pulitzer prize winning historian the first comprehensive history of the western hemisphere a sweeping five century narrative of north and south america that redefines our understanding of both the story of how the united states identity was formed is almost invariably told by looking east to europe but as greg grandin vividly demonstrates the nation s unique sense of itself was in fact forged facing south toward latin america in turn latin america developed its own identity in struggle with the looming colossus to the north in this stunningly original reinterpretation of the new world grandin reveals how north and south emerged from a constant turbulent engagement with each other america américa traverses half a millennium from the spanish conquest the greatest mortality event in human history through the eighteenth century wars for independence the monroe doctrine the coups and revolutions of the twentieth century and beyond grandin shows among other things how in response to u s interventions latin americans remade the rules leading directly to the founding of the united nations and how the good neighbor policy allowed fdr to assume the moral

authority to lead the fight against world fascism grandin s book sheds new light on well known historical figures like bartolomé de las casas simón bolívar and woodrow wilson as well as lesser known actors such as the venezuelan francisco de miranda who almost lost his head in the french revolution and conspired with alexander hamilton to free america from spain the colombian jorge gaitán whose unsolved murder inaugurated the rise of cold war political terror death squads and disappearances and the radical journalist ernest gruening who in championing non interventionism in latin america helped broker the most spectacularly successful policy reversal in united states history this is a monumental work of scholarship that will fundamentally change the way we think of spanish and english colonialism slavery and racism and the rise of universal humanism at once comprehensive and accessible america américa shows that centuries of bloodshed and diplomacy not only helped shape the political identities of the united states and latin america but also the laws institutions and ideals that govern the modern world in so doing grandin argues that latin america s deeply held culture of social democracy can be an effective counterweight to today s spreading rightwing authoritarianism a culmination of a decades long engagement with hemispheric history drawing on a vast array of sources and told with authority and flair this is a genuinely new history of the new world
